

Agrinoze Smart Irrigation — System Architecture (PRD 19.6.26)

Green = built & verified · Amber dashed = planned · Blue dashed = future hardware · Engine uses daily avg of 144 readings/day (1 per 10 min) per sensor — PRD 19.6.26

Agrinoze — Sensation Irrigation Algorithm · Stage Machine

Green = stages · Blue = decisions/triggers · Amber = yellow alerts · Red = red alerts · Purple = manual override

All threshold comparisons use daily sensor averages (mean of 144 readings · 1 per 10 min) — PRD 19.6.26
